1. Comment. [redacted] the same occupation strength in the Nachrichten Kaserne [redacted] was occupied by the 91st Sig Regt (SS) of the Eighth Gds Army. [redacted]
2. Comment. Another source, on 5 July, reported the Panzer Kaserne, which continually quartered a small signal unit, occupied by only a guard detail. [redacted]
3. Comment. An AAA battery of the 13th AAA Div presumably was entrained for Wustrow or Altegrabow. [redacted]
4. Comment. [redacted] army troops of the Eighth Gds Army [redacted] are not permanently stationed in the installation. [redacted] on 17 July, [redacted] the two installations on either side of Schubertstrasse heavily occupied. [redacted]. These observations tend to indicate that a special exercise, which involved signal units of the Eighth Gds Army, took place near Gotha.
5. Comment. The information does not indicate a change in the occupation of the installation. [redacted]
6. Comment. Units of the 27th Gun Arty Regt of the 39th Gds Itz Rifle Div were presumably entrained for Ohrdruf. The train via Kuerbitz probably carried units who returned from border guard duty or from employment in the uranium mining district. [redacted]
7. Comment. The AAA battery of the 6th Gds AAA Div is believed to have been transferred to Koenigsbruck as usually, rather than to Justerbog.
